Hey Sarah!

How are you? I haven't seen you for ages. Why don't we <sup>1</sup>go on a trip together? Do you want to go <sup>2</sup>away for the weekend to Santa Margarita with me? It's a five-star <sup>3</sup>resort with a beach and pool. Should we set <sup>4</sup>off after breakfast tomorrow? I can <sup>5</sup>book the hotel online today. We can take the train and when we <sup>6</sup>arrive at the hotel and check in, we can go straight to the beach. If you want, we can look <sup>7</sup>around the town in the evening. On Sunday, we can check <sup>8</sup>out early and spend the day on the beach again. There's a train at 7 p.m., but I don't know what time we'll <sup>9</sup>get home. Let me know!  
Jane.
