### 3 Complete the text with the words in the box. Sometimes more than one answer is possible.

allowed to   are   can   can't   don't have to  
have to   must not

My cousin told me about this amazing Computer Games Club that you can join in our town. You <sup>1</sup> don't have to pay very much, and you <sup>2</sup> can have a lot of fun there. There are rules, of course: you <sup>3</sup> have to be over 12 and you <sup>4</sup> can't / must not eat or drink near the computers, but you <sup>5</sup> can / are allowed to bring your friends and it's open late, on weekends. If you do something they don't like, they don't tell you off. They just tell you that you <sup>6</sup> can't / must not come in for the rest of the week. I like the sound of that!

### 4 Imagine a club that you and your friends start together. Write six rules for it. Use the phrases in the box.
