### LEARN TO LEARN

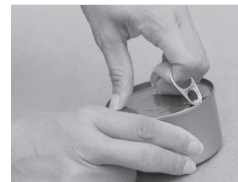

#### 3 Write the verbs. Check the answers in pairs. Then cover the verbs and test your partner.

1 **press**

2 **place**

3 **pull**

4 **increase**

5 **remove**

6 **cover**

#### 4 Complete the text with the words in the box. You do not need all the words.

cardboard freeze glass poured  
reduced rubber stir tube

Have you ever thought about how <sup>1</sup> **glass** is made? Sand is heated until it turns to liquid and then the heat is <sup>2</sup> **reduced**, so that the material can be shaped. It is then <sup>3</sup> **poured** into different shapes. Artists make original pieces by blowing into a <sup>4</sup> **tube** with a balloon-shaped mold at the end of it. Glass is transported in sheets of <sup>5</sup> **cardboard** which is taped securely around it.

#### 5 In pairs, explain how iced coffee, a leather bag, a tin can, and a newspaper, are made. Use the words in the box.

First, ... Next, ... Then, ... Finally, ...
